Our Mission

Vimuktasya Vimuchyate

Our Vision

Making an Enlightened Informed and Confident Local Community

HISTORY OF THE COLLEGE

Champadanga, an affluent village of Tarakeswar block in the Hooghly district, is a very famous hub of good trade and commerce. Old Benaras Road (Auhalyabai Road) passes through Champadanga. It is about 20 km east of Arambag and 8 kilometre west of Tarakeswar. The place is well-connected to Kolkata and Howrah through bus-routes and railways.

From very early on, Champadanga had a steady economy based on the opulent vegetation of the area. But the local people continued to miss out on higher educational opportunities. Fortunately, it was in 1961 and on the memorable birth-centenary of Rabindranath Tagore that a group of social workers, businessmen and educationists of the locality decided to set up a Degree College with a dream of bringing higher education to the doorstep of the locals. For this purpose, they formed a Preparatory Committee with the following members - Prasad Chandra Mandal (President), Nityananda Adhikari (Secretary up to 04.11.1971), Prof. Amarendranath Adak (Secretary on and from 05.11.1971), Nandalal Dutta, Panchkari Pal, Prankrishna Mondal, Baidyanath Dutta, Sukdeb Dutta, Amiya Kumar Gupta, Ajit Kumar Maji, Sk. Anwar Ali Middy, Santimohan Roy, Ramsingha Pal, Ramen Maitra, Lalitmohan Hazra, Sk. B.J.Naskar, Sk. Goni Middy and Kashinath Mondal.

From then on, it took a few years to select a suitable place for founding the college building. At that time, Late Netai Charan Hazra and his wife Late Phelubala Hazra jointly donated a princely sum of ₹ 20,000 along with a plot of 307 'Sataks' of land by the east side of the Old Benaras Road, about 1.5 kms. away from Champadanga bus stop. A great number of local persons from different strata of the society also came forward with their invaluable donations and timely help. A two-storied building on the northern side of the big pond of the donated area was built under the supervision of the Preparatory Committee. Finally, our college 'Rabindra Mahavidyalaya', affiliated to the University of Burdwan officially started its journey on and from 8th November, 1971. We heartily remember all those founding fathers, social workers, educationists, businessmen and a host of well-intended persons for their honest contributions in setting up this college and fulfilling their vision of making an enlightened, informed and confident local community a reality.

Initially, only eight students were admitted to the Pre-University course and twenty-five students to the B.Com Pass course. The official status of the institution was that of an undertaking college and the teacher and the non-teaching staff did not get their salary from the Government. It was only in lieu of a pittance that they were shouldering the great task of running the new-born college with utmost sincerity.

Then it was in the academic session of 1972-73 that the B.A. course in the Pre-University and Degree level started. In the decade of the '80s of the preceding century, a steady inflow of funds in the

form of various monetary aids granted to this institution either by the State Government or by the University Grants Commission or by similar such agencies made possible that a fast-paced development of the different wings of the institution take place. Only after four decades since its inception, the college now has a pretty long list of assets to its credit, viz. seven big or fairly big buildings, two new buildings, a fairly spacious Library with a reading room, a beautiful playground, separate courts for playing basketball and badminton, cycle-sheds, canteen, a multigym, potable water system including a 'Jalasatra', adequate toilet facilities for both boys and girls and so on. The lush green backdrop and a big pond in the middle with thickly foliated shady trees along its embankment truly evoke the bygone charms of a pastoral setting.

The long-cherished dream has become a reality. It has now a student population of nearly three thousand and they are offered quite a remarkable list of subjects to choose their Major or Minor courses from. They are also provided with other academic facilities like a Computer Laboratory, Computerized Library Facility, Placement Cell, an Auditorium cum Smart Class Building (under construction now with State Government grant), etc. for their benefit. As a result, in the arena of higher education of the district, the students of Rabindra Mahavidyalaya, mostly hailing from the local peasant community, are able to make glorious marks at various levels of university examinations and other competitive tests and at still higher levels of IITs, IISERs etc. while also earning moderate placement and distinguished jobs for themselves and thereby putting their Alma Mater very high on the scale of excellence. This is also borne out by the fact of achieving the grade of B⁺⁺ as part of the last re-accreditation recently undergone in 2017 by the institution that was carried out by the national academic bench marker, National Assessment and Accreditation Council (NAAC). As a way of sustaining the good work, the College is further preparing for the third cycle of re-accreditation by NAAC and also for a reasonable ranking in National Institutional Ranking Framework (NIRF).

VISION

“Making an enlightened, informed and confident local community” is the vision of our college which truly enshrines a collective aspiration of an essentially rural populace that once dreamt of education as a viable means of social progress. Tagore had his vision of a cosmopolitan brotherhood based on a steady exchange of educational means and cultural values between India and the rest of the world and it materialized in the birth of Visva Bharati. Our small college with all its myriad aspects of rural backwardness in a way truly follows in the path of Rabindranath. As an agency of higher education, it brings in the blessings of advancement and the benefits of enlightenment so that the people that live in and around Champadanga may gain into confidence and may try to be at par

with other, more advanced sections of the society known and respected for their greater quantum of achievement.

MISSION

The Mission of the College, “Vimuktascha Vimuchyate” is taken from the ancient text of Kathopanishad. It is quoted from original Sanskrit denoting a Karmic notion of work as the path towards emancipation. The Vision as a greater goal is set in tune with this stated Mission: Making an Enlightened, Informed, and Confident Local Community. The essential ethos of "Karma" or work as an ingrained value of the Indian Consciousness is followed as the concept of gradual upliftment of the human condition and the local communities only naturally chosen as the target society for such implementation.

The administration remains keenly aware of the Mission and Vision and it tries to take measures towards inculcating the values of coordination and cooperation deemed as central for cohesion and interfacing of the institution with its local community. Knowledge applied and gained through collaboration may render our Mission a truly unique one and thus bring us ever closer to our Vision.

OBJECTIVES

- To work for the advancement of learning by optimizing the use of available teaching aids and gadgets.
- To take cognizance of the needs and demands of students as well as the society they belong to.
- To take the institution to greater heights of eminence and excellence by continually setting still better academic goals and achievements.
- To help the students find a niche in the professional world by making them employable and hopeful for the future.
- To inculcate values of logic, rationality and a scientific temperament as a way of reaching the institutional goal.

General Information

- According to the guidelines framed by the University of Burdwan, a student must attend requisite percentage of classes to appear as a regular student in the final examination.
- Students having attendance less than the requisite percentage will have to pay a fine as specified by the institution at the time of filling up of forms (if permitted).
- Students should keep the college campus clean.
- Students must not loiter in the corridors adjacent to class rooms.
- Every student should bring with him/her the institutional Identity Card and present it when required.
- Students are directed to go through the Notice Board regularly.

Registration & Enrolment

Every new student must fill up the registration form with prescribed fees generally in the month of August every year.

Form fill up for University Examination

Generally, students are to fill up forms for Semester Examinations as per the time-schedule published by the University. Students will have to pay University Examination Fees as per the rates declared by the University which will be notified in due time. Honours students must obtain a minimum qualifying marks in the unit tests. They will also have to get a certain percentage of attendance. Otherwise, students will not be allowed to fill up forms for university examinations. Any changes in the system of form fill up would be notified on time.

Admit Card

Students appearing at the Semester Examinations will collect their Admit Cards as per the notice before the commencement of examination.

Identity Card

Students are required to collect their identity cards duly signed by the Principal of the college. Students must keep identity cards with them while being in the college premises.

Journal/Newsletter

The students' magazine "Charoibeti" containing poems, articles and essays by students and teachers on different subjects is brought out from time to time for creative enrichment of the teachers, staff and the students.

Educational Excursion

Students of this college can avail this opportunity once in a year. Tours for Geography, History and Bio-Science Departments are organized as a part of their curriculum. Requisite fees as decided by the departments must be deposited at the time of excursion. Students must submit their field record and collected specimen (if required by the departments) with proper field data.

Library & Information Service

The Central Library of the College is very rich in terms of collections. It holds more than 36715 books, many e-journals and 16 printed journals and magazines and useful documents on varied subjects pertaining to the streams of Arts, Science and Commerce. Some of the departments have their Seminar Libraries. There are separate reading spaces for students and teachers in the Central Library. Presently, the library system is automated by KOHA Library Automation Software.

Services and Facilities of the Library include:

1. Computerized lending and borrowing of books
2. Study Corner with magazines and newspapers
3. Counselling Corner to look for guidance from the teachers by students
4. Book Bank facility for meritorious and poor students
5. Opportunity for going through syllabus modules and set of University question papers of current & previous years
6. Opportunity for photocopying relevant papers with permissions from the library authority, not exceeding the existing daily limit
7. Opportunity for taking books against deposit money till the end of University Examination by the students
8. Institutional membership with the British Council Library, renewable at every year availing 30 books and magazines, movie DVD (max 10) for a period of 21 days
9. Opportunity of internet resource through INFLIBNET N-LIST programme
10. Opportunity of lending and borrowing of books for ex -students/staff.

ICT-enabled Classroom

With generous financial aid from the Government of West Bengal, we have upgraded our educational technology by introducing ICT-enabled Class. This new, state-of-the-art technology of simulation would enable the teachers to augment the traditional chalk and blackboard method and be able to use any part of the classroom walls as a virtual writing board. It would allow the teacher greater width and power to manoeuvre.

Laboratories

The College has got state-of-the-art laboratories with modern equipments deemed necessary in the teaching-learning process. There are six laboratory-based departments in the institution – Botany, Chemistry, Geography, Microbiology, Physics and Zoology. There are five partially equipped laboratories in some departments like Mathematics, Commerce, Economics, Physical Education and Defence Studies.

Multigym Centre

There is a 16-station Multigym Centre in the college. Students & staff of the college may access the facilities for fitness and training.

CELLS and CLUB

Placement Cell

The college has a Placement Cell with a Placement Officer. When various agencies (Government and non-Government) inform our college about recruitment for services, training, apprenticeship etc., the Placement Cell properly notifies and guides the students about the matter and arranges for workshops, seminars and training from time to time.

Grievance Redressal Cell

The main objectives and functions of the Cell in this college are hereunder:

1. Upholding the dignity of the college by ensuring strife-free atmosphere in the college through promotion of cordial student-student relationship, student-teacher relationship, student- non-teaching staff relationship and teacher-non teaching staff relationship.
2. Encouraging the students to express their grievances/problems freely and frankly.

The function of the cell is to look into the complaints lodged by any student and weigh and consider its ground and context. The Grievance Redressal cell is also empowered to look into matters of harassment and ragging. Anyone with a genuine grievance may approach the staff of the concerned department in person, or in consultation with the convener of this cell. In case the person is unwilling to appear in self, grievances may be dropped in writing at the college letter box or suggestion box of the Grievance Redressal Cell.

Women Cell

The Women Cell in the institution is set up to create awareness about gender equality, with a focus on women empowerment. The cell will also look into the matter and related issues of gender discrimination that often proves to be a bane in our social system. The cell most often arranges for counselling of girl students so that issues of concern, both social and individual, may be effectively addressed on a case-to-case basis. Separate complaint box, exclusively meant for girls, is placed by the Cell so that the aggrieved and affected party may reach out for help at her own convenience. To complement the system further, Helpline Numbers are widely circulated among the girl students by the members of the cell. Moreover, there is ICC (Internal Complaints Committee) set up at the behest of the government and it looks into any case of sexual harassment of woman at their institutional workplace.

Nature's Club

Nature's Club mainly works with a view to promote protection of nature and environment, encourages environment friendly behaviour and conducts awareness programmes. Students having nature-friendly and environment-friendly intent may join the club. Apart from this, students are also motivated in nature-related activities through their ENVS course curriculum. The Club takes care of the medicinal garden within the college and works for conservation of plants within the college campus. Only recently, the college has entered into a MoU with *Purbasha Eco Helpline Society*, Sunderbans to further augment the natural environment of the institution and the Nature's Club is likely to play a more innovative and constructive role in this regard.

STUDENTS' SUPPORT

Students' Council

Students' Council is a democratic forum of the students. Students are to come for leadership through election held every year. Students' Council plays a vital role in the smooth functioning of the college administration through its democratic right of representation in the Governing Body of the college. There are eight departmental secretaries including the General Secretary. Students' Council organizes events and functions like Annual Cultural Competition, Cultural Functions, Freshers' Welcome, Annual Sports and Athletics Meet, indoor & outdoor games etc. The Council is expected to look after and protect students' interest, create healthy academic atmosphere, inculcate sense of duties among the students and promote their accountability to the society.

However, in the last few years, like other colleges, we are having the students' Union to play the role of Students' leadership in the institution.

Canteen Service

The college has a canteen within the campus which remains open during the college hours. The canteen provides hygienic and tasty food for the students and staff at affordable prices.

Health Check-up Unit

There is a Health Check-up Unit in the college situated in the Bio-Science Building. Primary health check-ups including weight and blood pressure monitoring can be done here under the care of a practicing homoeopath who happens to be one of the supporting staff of the college. Some basic medicines, ORS, Dettol and bandage are provided for the students along with an array of homoeopathic medicine for the ailing students and staff. Arrangements for first-aid are also there for treating someone meeting with an accident.

CONCESSION, STIPEND AND SCHOLARSHIP

Stipend for SC/ST/SA candidates

Students belonging to SC/ST and SA categories are entitled to get stipend as and when available from the government. They are requested to collect the application forms from the college office and should submit the filled-up forms, counter-signed by the Principal, to the Block Development Office, generally within two months from the commencement of classes. Specially abled students are also asked to contact the Block Development Office for their stipend immediately after the commencement of their classes.

Student Scholarships

Girl students can avail Kanyashree Scholarship. Minorities are offered scholarships especially meant for them. The institution notifies about scholarships offered by different private agencies when such information is available.

Scholarship	Eligibility Criteria	Annual Family Income (Rs.)
SC, ST, OBC	All SC, ST and OBC students	2,50,000/-
SVMCM	HS 60% marks	2,50,000/-
NSP	HS 60% marks	1,00,000/-
Aikyashree	All minority Students	2,50,000/-
Chief Minister Fund	HS 50% marks	1,20,000/-

Travel Concessions

Railway Travel Concession is available for outstation students intending to commute from other railway stations to Tarakeswar or Talpur. For those who travel by bus, arrangements for concession have been made through college for Bus Route No.16 and 20 and other local and express buses commuting between Tarakeswar and Arambag. For other bus routes, concession cards have to be obtained by the students themselves.

EXTRA CURRICULAR ACTIVITIES

National Cadet Corps (NCC) & National Service Scheme (NSS)

After the independence of India in 1947, NCC was introduced by the Central Government. Our college opted for NCC Programme for our boys in the senior division of the Army Wing. Girl Cadets are also included in our NCC Company.

The Education Commission (1964-66) headed by Dr. D.S. Kothari recommended that students at all stages of education be associated with some form of social service. After several debates and discussions, the Union Education Minister in 1969, with the support of University Grants Commission, launched the programme of NSS in the colleges.

Our college has arranged for NSS and NCC programmes. There are three units of NSS with three hundred students and one company of NCC. Students are encouraged to join either NSS or NCC. But in no way, they will be allowed to join both the programmes.

Cultural Activities

Under the guidance of the Teachers, Students' Union organizes Freshers' Welcome Programme, Annual Social Programme, Annual Sports, Cultural Competitions, Basantotsav, Rabindra Jayanti, Baishe Sraon, Teachers' Day and other cultural programmes.

Games & Sports

The College offers extensive sports facilities to the students. Outdoor games include Football, Cricket, Athletics, Volleyball, Badminton, Basketball. Indoor games include Table Tennis, Carrom and Gymnastics. There is a multigym in our campus for the use of the students.

INSTITUTIONAL POLICIES

Attendance

- Regular attendance is compulsory for every student of the college as per B.U. norms.

Specially Abled

- Following government norms such as reservation for specially abled students at the time of admission.
- Following University norms, offering extra time and amanuensis (writerly help) to such students who are accommodated in rooms on the ground floor during examinations.
- The Central Library allows such a student to be within the library with a companion and to take a greater number of books than usual in the lending facility.
- The institution instructs the office staff to allow any one on behalf of the specially abled student to make all transactions with the office.

Environment

We aim at—

- Maintaining greenery within the campus.
- Ensuring substitutive plantation when cutting trees is a compulsion.
- Prohibition of burning of plastic in the campus.
- Stopping use of plastic cups in the canteen.
- Encouraging staff and students to reduce the use of plastics.
- Using both sides of a paper for print or xerox with suitable exceptions.
- Encouraging all stakeholders to take resort to electronic communication.
- Letting students know about the importance of conservation and protection of nature and environment.

Gender

We ensure—

- The culture of gender equality and empowerment.
- Separate complaint box for girl students for lodging complaints.
- Wide circulation of helpline numbers among the girl students for seeking help, if and when necessary.
- Prompt action for girl students to avail the Kanyashree Scholarship of the Government of West Bengal.

Inclusion

We follow—

- Reservation policy strictly at the time of admission so that students of different castes and those economically weak get an entry.
- Proper monitoring of schemes like the student aid fund, the fee waiver scheme, stipend for SC/ST/SA candidates, scholarship for minorities, Kanyashree scholarship for girl students, scholarships offered by private agencies for the economically weaker students.
- Offering railway travel concession, bus concessions so as to facilitate students to commute at a lesser cost.
- Gender neutral policies.

Anti Ragging Guideline

Our college is a ragging free zone. So, no such activities will be encouraged by the College authority which comes under the purview of Article no.3 of UGC regulation vide D. O. No. 1-15/2009 (ARC) pt.III, dt. 27th June,2019 details of which are given below-
